Easter greeting

1 Corinthians 15: 3,4

"For what I received I passed on to you as of first importance: that Christ died for our sins according to the Scriptures, that he was buried, that he was raised on the third day according to the Scriptures."

The Arab Vision team wishes you a very blessed Easter.

فَإِنِّي سَلَّمْتُ إِلَيْكُمْ فِي الْأَوَّلِ مَا قَبِلْتُهُ أَنَا أَيْضًا: أَنَّ الْمَسِيحَ
مَاتَ مِنْ أَجْلِ خَطَايَانَا حَسَبَ الْكُتُبِ، وَأَنَّهُ دُفِنَ، وَأَنَّهُ قَامَ
فِي الْيَوْمِ الثَّلَاثِ حَسَبَ الْكُتُبِ، ١ كور ١٥: ٤،٣

The resurrection – reaching thousands online

Millions of people in the Arab World have questions and doubts about Jesus' death on the cross and his resurrection.

From mid-April till mid-May we will run a "resurrection campaign" online via social media, focusing on young people in the region, posting three short clips every day, reaching thousands of people with the message of God's love and redemption. Our follow-up team is ready to respond to those who have questions and want to know more about the Gospel. (*continued on page 2*)

I believe Christ is the Word of God

Ihsan in Iraq asked our follow-up team why Christ was crucified. We explained this to him and in the middle of the conversation Ihsan said: "I believe that Christ came and that He is the Word of God."

The Resurrection – reaching thousands online

We will produce at least 15 new videos of about 5 minutes. Some of the topics are:

- ◆ The problem of the cross
- ◆ Did God the Father abandon Jesus on the cross?
- ◆ What is redemption?
- ◆ God's love shown on the cross
- ◆ The resurrection - a letter of hope

Will you pray for this campaign and partner with us financially?
We still need £2600 for this project.

Empowering Yemeni women – empowering society

Yemen's civil war is now in its fifth year. It is the world's worst humanitarian crisis with 80% of the population dependent on aid. Yet there is a glimmer of hope as the opposing factions warily discuss a possible peace treaty and safe access for aid convoys. However, aid alone will not rebuild Yemeni society.

Women are suffering grievously, not only physically through the indiscriminate bombing and shelling, food and medicinal shortages, but also because of the many restrictions imposed on them by society.

Women do not enjoy the same opportunities as Yemeni men. Discrimination, oppression and violence against women need to be shown to be unacceptable and their rights need to be recognised in all areas. This way women's dignity will be restored and their enormous value in building and influencing families and society will be recognised.

Arab Vision and Light for Yemen* want to encourage Yemeni women to assert their own identity and abilities and to play a full part in the reconstruction of their country.

Our 26 part series will be broadcast on satellite TV and social media and will address subjects that particularly trouble Yemeni women, including:

- ◆ Insignificance
- ◆ Family
- ◆ Envy
- ◆ Abuse
- ◆ Gender inequality
- ◆ Shame
- ◆ Perspectives for the future

The series aims to strengthen women in their identity and raise awareness amongst the male-dominated leaders and lawmakers.

Social media enables both women and men to respond to the programmes anonymously. Follow-up teams are ready to start conversations with people who are touched by the message, and want to share their own story, their struggle with their identity, amidst an ongoing dire situation in their country.

Please partner with us in this powerful project and consider sending a special Easter love gift to make this happen for Yemeni women!

* Light for Yemen is a production company in the Arab World, focusing on Yemen. The staff consists mainly of Yemeni Christians in the diaspora.
